(d) At Benalee location (East Satgram Colliery), nearly 330 nos. of illegal pits have been filled in/dozed off by dozer/pay loader to extinguish smoke/flame and to prevent further entry of fresh air.

At the J.K. Nagar fire project (near Nimcha) fire/smoke was immediately brought under control by dozing/filling of the subsidence crack/pot holes and compaction of the dozed off area also had been done.

The Central Institute of Mining and Fuel Research (CIM&FR), Dhanbad has been engaged to detect the extension of fire towards Nimcha Village and measures to be taken for protecting the village.

Seven families have been shifted to a safer zone on safety ground and ECL has provided quarters to them.
